

## Six Goals of House Bill 1

1. A seamless, integrated system of postsecondary education strategically planned and adequately funded to enhance economic development and quality of life.
2. A major comprehensive research institution ranked nationally in the top 20 public universities at the University of Kentucky.
3. A premier, nationally recognized metropolitan research university at the University of Louisville.
4. Regional universities, with at least one nationally recognized program of distinction or one nationally recognized applied research program, working cooperatively with other postsecondary institutions to assure statewide access to baccalaureate and master's degrees of a quality at or above the national average.
5. A comprehensive community and technical college system with a mission that assures, in conjunction with other postsecondary institutions, access throughout the Commonwealth to a two-year course of general studies designed for transfer to a baccalaureate program, the training necessary to develop a workforce with the skills to meet the needs of new and existing industries, and remedial and continuing education to improve the employability of citizens.
6. An efficient, responsive, and coordinated system of providers that delivers educational services to all adult citizens in quantities and of a quality that is comparable to the national average or above and significantly elevates the level of education of the adults of the Commonwealth.

\*These goals were included in the Kentucky Postsecondary Education Improvement Act of 1997. Goal #6 was amended with the passage of the Kentucky Adult Education Act in 2000.
